

SLD-PLUS

Technical Specifications Sheet

ENHANCED MULTI-THREAT LEVEL IIIA+

SLD-PLUS

NIJ Certified 0101.06

The Safe Life Defense Enhanced Multi-Threat Level IIIA+ is one of the most protective soft armor vests on the market. It not only provides NIJ Certified 0101.06 IIIA protection but also defends against strikes, slashes, stabs, tasers and FN 5.7. This self structured® panel will never sag or curl keeping it at peak comfort for its entire service life.
